ACT.09

Ratri
Recently these jerks from Maino are appearing too often.
Sorry You saved us.
You're late Jade!
That was splendid!

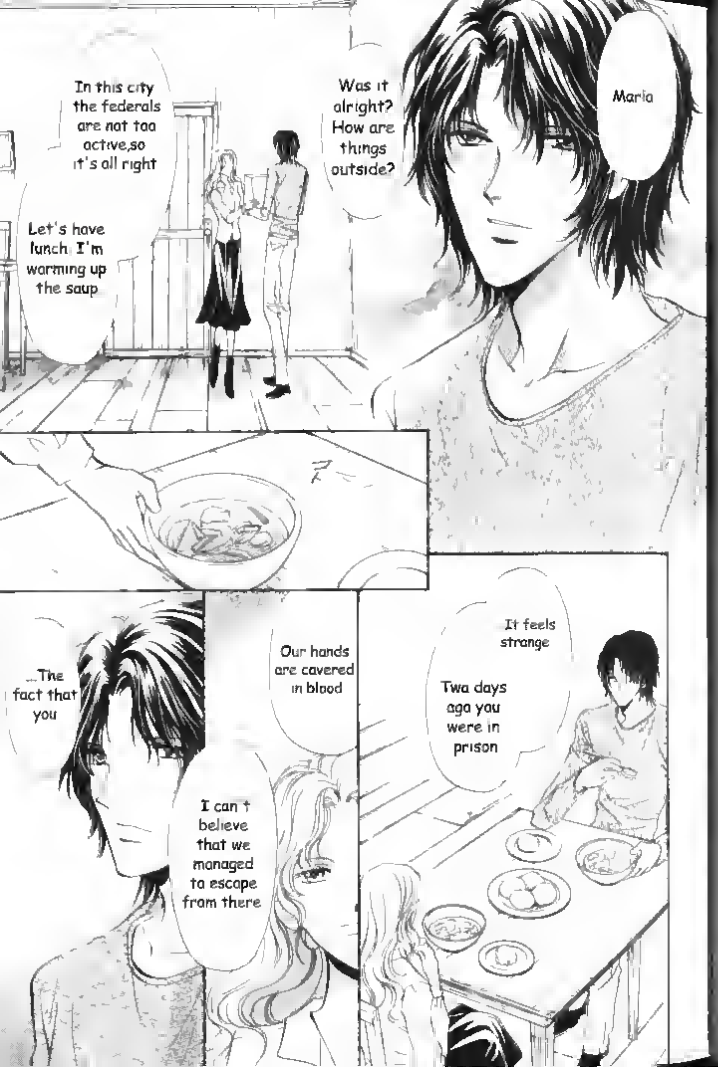
I can't believe it! I haven't heard anything about this!
That he would come !

Thank you for everything
If you can't follow my orders, you should leave.
Or do you think that Kai will come back?
He will not come back, not on his own
Ratri, then...
Remember this
If we find someone suited I'll nome him
But

But Ratri,
It's a fact that we have lost an important part of our force
Kai left

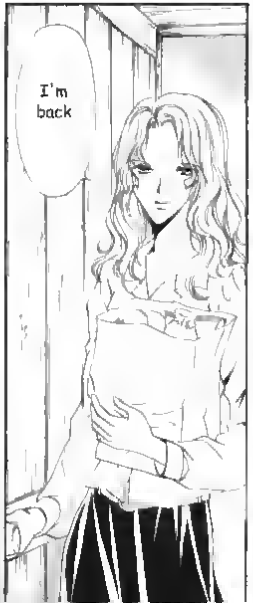
Shut up, fool!
Looks like they've realized that we are short of one Tennou
If they are swarming up, we'll push them back No problem

At this rate, we will be in trouble if we encounter bigger resistance
Please choose a new Tennou to fill in for Kai

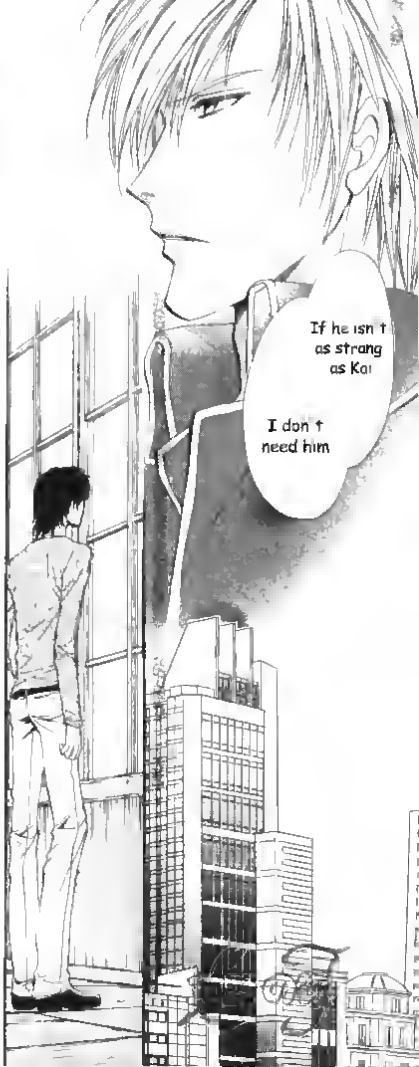


Maria
Was it alright? How are things outside?
In this city the federals are not too active,so it's all right
Let's have lunch. I'm warming up the soup
It feels strange
Two days ago you were in prison
Our hands are covered in blood
I can't believe that we managed to escape from there
...The fact that you

Kai



I'm back



If he isn't as strong as Kai
I don't need him

Wake up from your bad dream
Then you come too
Mario
I can't
I got a job

As if everything was just a dream that ring was showing me
You are here like this feels like everything was just a dream
When I was in town, I checked out the routes
Thinking you were killed I went to that town
From here you can take a bus to your hometown
For the sake af revenge I got close to that man and
Go home, Kai

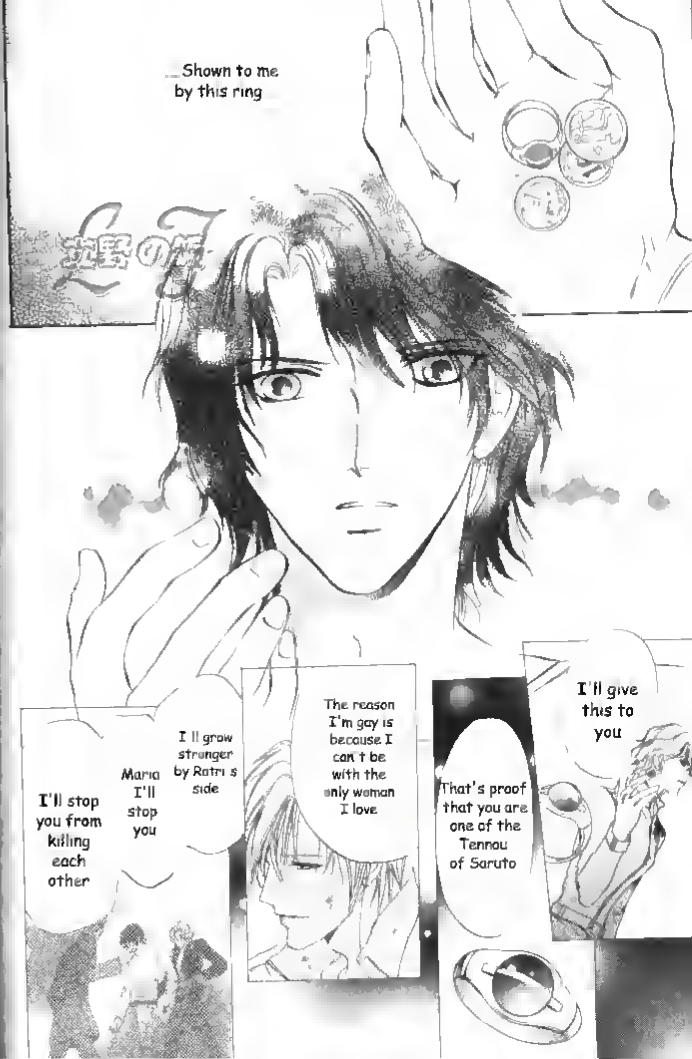
Mari
I'll kill you and then go
You shouldn't forget
Ratri and I are killers
Killing is fun

That's right. So I'm going back to Akatsuki
To Akatsuki? Please wait what job...
A job...?
I won't say more
If you want to help with my job, that's a different story
But you definitley can't do it
I'll kill you
And if I say I won't let you do it?
I said I won't tell you
The request comes from Maino...?

Everything was just a dream....
Thot may be so
Everything was
55$
Yes

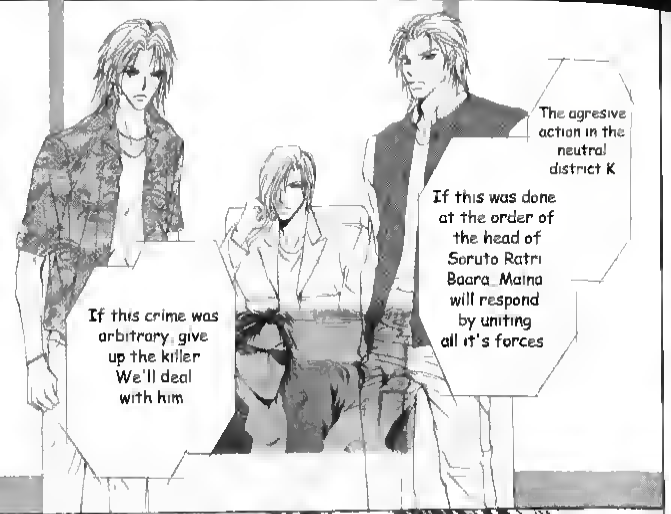
Until one of us dies...
Forget everything and go home, Kai
Good bye, sweet Kai
It would be good if at least you can be happy
Brather probably feels the same

This may happen again from now on
Will you still stay by my side?
What I wished for...
I'll become Saruto's Boss tomorrow
Then you will become one of the Tennou
Was not to be loved
Nor to be treated gently
Of course I will
Whot I wished for...
Sir...



...Shown to me by this ring
I'll stop you from killing each other
Maria I'll stop you
I ll grow stronger by Ratri s side
The reason I'm gay is because I can't be with the only woman I love
That's proof that you are one of the Tennou of Saruto
I'll give this to you

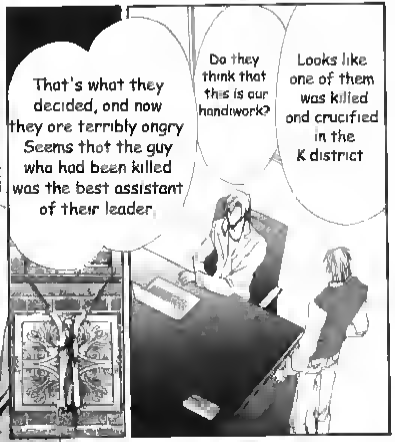
Shit! How could they...
It's Saruto!
We want retribution from Saruto!
A blow for a blow!
We want revenge!
The leadres of Maina?
Who could have done that?
How horrible!
Oh!
My wish is...
Will you get on
or not?



The agresive action in the neutral district K
If this was done at the order of the head of Soruto Ratri Baara_Maina will respond by uniting all it's forces
If this crime was arbitrary, give up the killer We'll deal with him

We're waiting your answer, Rotri Baara
Kana Galpis, on behalf of Maina.

If it was one of our men this was a good move



That's what they decided, and now they are terribly angry Seems that the guy who had been killed was the best assistant of their leader
Do they think that this is our handiwork?
Looks like one of them was killed and crucified in the K district

We just got a statement from the head of Maina.
Shiki
For us this is a serious threat!
Are you sure that there is cause for joy, Rotri?

So this is how Soruto acts?

I want to be here
In this city, by your side
Ever since Kai left...
Ratri
What should we do Ratri?
First we need to find the criminal Giving him up is another issue
It doesn't matter
What?
It seems Kana Galpis is furious
Wait! Ratri, what are you talking about?
If it turns into a war, so be it
For some reason our boss is in a bad mood
All the time he's on edge

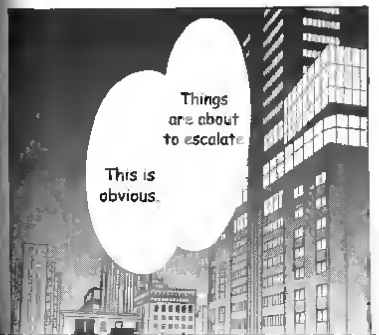
Coyote!
Dog!
Hey, hey
If the boss does nothing thon we...
Who's rushing events here?
The boss knows what he's doing. Wait a bit. If you take matters into your hands, you will be the first to be killed
By us and the boss
I just gove an example. Why ore olways so serious, Dog?
Coyote...
The boss didn't say something like that...
Well, then I'll wait too.
Boss understonds everything. He is woiting for o move from Saruto
And yet we have to oddress their dissatisfaction Am I wrong?

You damn liar
Shit, this is the second one! Why isn't Boss doing anything?
After all, we don't know who will be killed next!
Again!
Again!
Another murder!

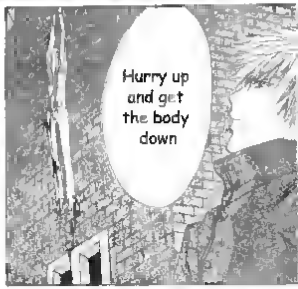
Ratri?
People are worried. No one knows who the murderer is
Our guys are also on edge
Huh?
That's right
One more
If there is one more victim, no one will be able to hold back the wrath of the gangs
If one more
Dies
The End

Damn that Coyote. Though he's a newbie he's acting all cool
Nothing can be done. Boss likes him
He is strong whatever one may say
I'll sleep and wait for orders

Like you trust me and the boss
Distrust is not good. Coyote is our ally. Trust him.
Rather than that bastard you're...
Dog D, we'll go with you



This is obvious.
Things are about to escalate



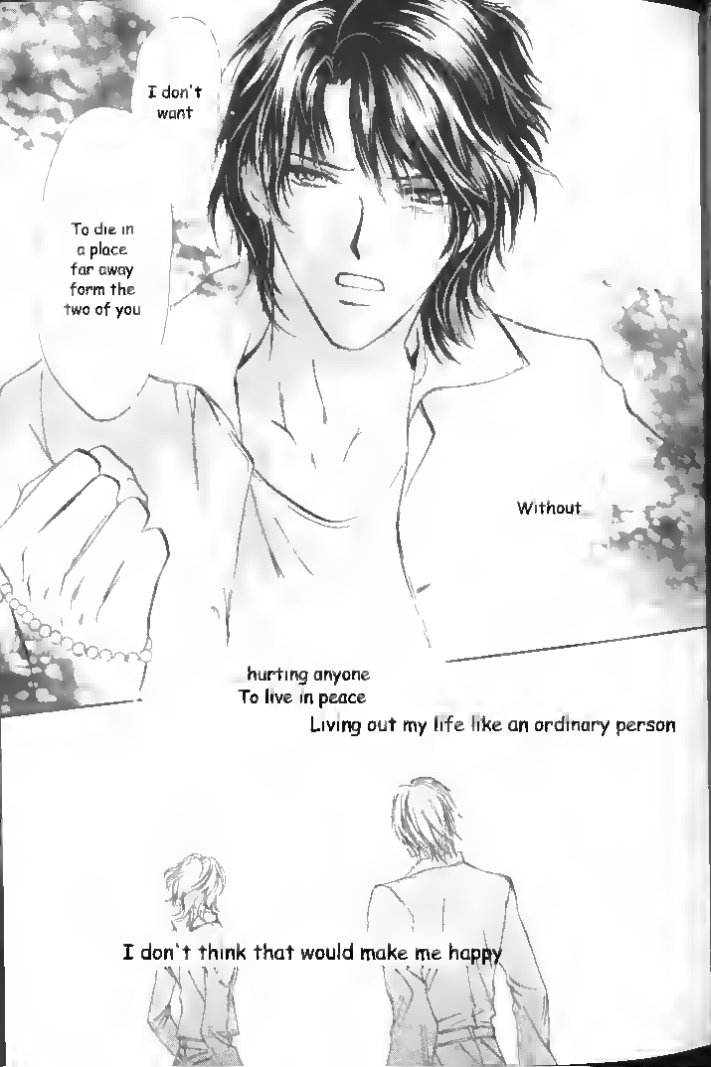
Hurry up and get the body down

As expected...

Show yourself
Who's there?

As I thought
...?
When dealing with you, if I don't use some poison
It would be dangerous for me
Saruto's present head, Ratri Baara's twin sis
I know you
Former Tennou of Saruto "Cold-blooded Viharn"
Nothing personal
From Maina's Dog D
This won't
Be easy

Please run
Hurry!
Run
Sorry
Foolish child
So
You came
Kai



I don't want
To die in a place far away form the two of you
Without
hurting anyone
To live in peace
Living out my life like an ordinary person
I don't think that would make me happy

How brave! Do you worry so much for Ratri?
That's not it
Because you will kill Ratri
Because you kill people
Why did you come back?
You had a chance to break away from here
I don't want to see either of you die
I want to stop the fight I dont want anyone to get hurt or to hurt you
But
Most of all

I said that I would kill you if you interfere
!?
I won't forgive you anymore

To live
To die
I am
You really are
A foolish child

Good bye!

ACT.10

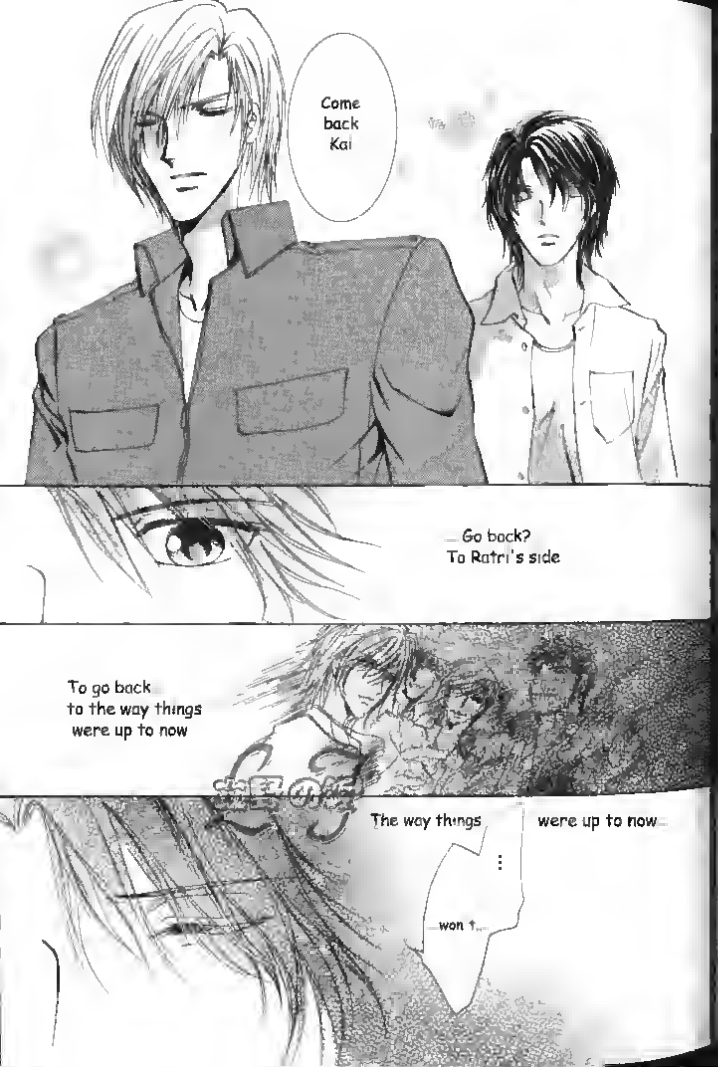
I knew that it was your doing
Don't move
Ever since long ago, that was your favorite execution method Cold-blooded Viharn
"The hanged man"
Oh
On my way I met "Maina's mad dog" and confirmed it
I thought that if I roamed the neutral K district you may show up
Doing this kind of job shouldn't take you long
Splendid insight brother
How did you know I was here?
Ratri...
Why is he here

Next time don't interrupt me
Kai, brother
I'll really kill you
Maria

Just when it was getting good
I was interrupted
He said that Saruto's chain user saved him
He had a deep wound but
Rotri, please stop!

Why
Are you here?
!
Ratri is angry
So... rry
I was following Maria
Of course he is. I lashed out like that
I want to stop her...
I'll do it without going into Saruto's territory
There's no way... I could go back
I asked "why here"

Even though I must catch her
She got away
.....
Ratri
.....



Come back Kai
Go back? To Ratri's side
To go back to the way things were up to now
The way things were up to now
won't...

Huh?
We're going back
I already know
You put on a cheap act and left Saruto to save Viharn
The fact that she is alive means that the rescue was a success
After you left we found out that Saria was a spy for the federals
There is no problem

tsk
I won't go back Ratri
I
Don't have the right to stay by your side onymore
I already realized
I can't be just a subordinate
But
I will surely stop Maria
That's why
I was jealous of Saria and of Maria as well
And I got dirtied

For him to ask me to go back
That's more than enough
Even if I can't be by your side
I would still die for you
Ratri

Kai!
That's enough
It's fine like this

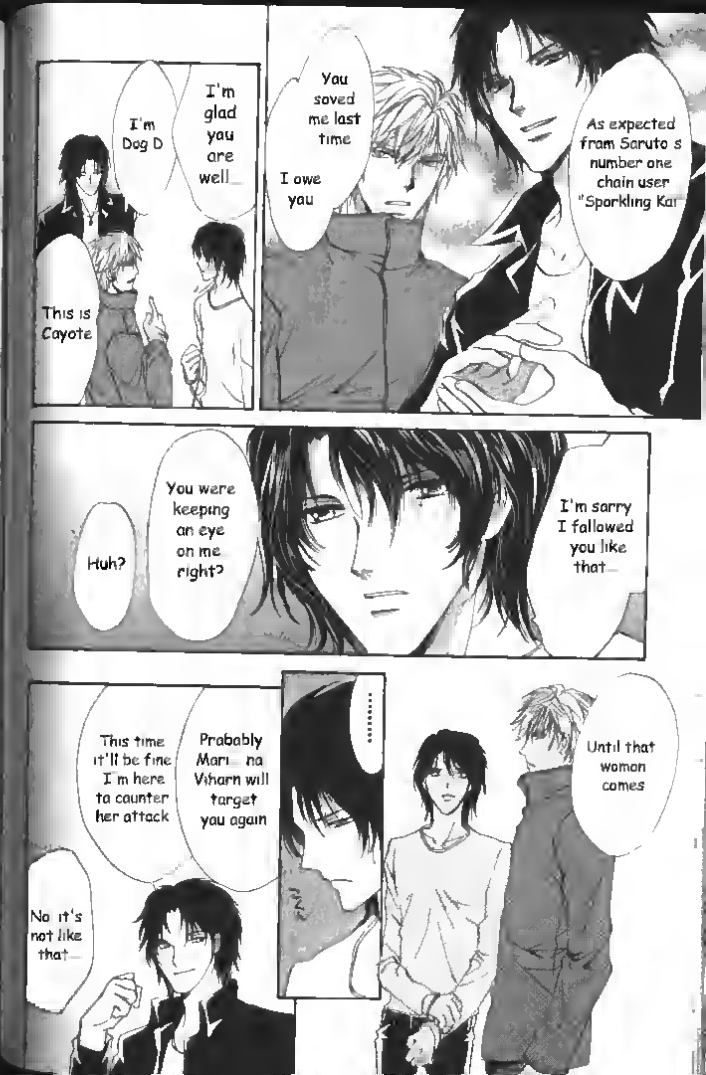
His name is Kai Kouda
He came to Saruto twa years ago and climbed up to the positon of Tennou with his skilled use of the chain
Lately, there's been a rumor that he had a disagreement with Soruto's boss, Rotri, and left
Do we have information about that chain user?
Hm...
Coyote
Do you want to scout him for Maina?
Don't let your guard down, Dog D.
No matter who it is, be careful. You are being targeted.
For now, take Coyote with you.
But...
It's an order
Traitor?
He didn't seem like that
Hoho Is that so?
That's not a joke! A traitor is a traitor
That kind of guy will not set foot here
Oho...
The one responsible for "The Hanged Man" is Cold-blooded Viharn?
Saruta's chain user?
Yes Boss I was also targeted If Saruta's chain user hadn't saved me, right now I would be hanged too
Can we trust that infarmation?
I don't know
But he come to stop Viharn I don't think he's an enemy
Why did he save you Dog D?

Christopher

Yes Boss
You failed
That's disappointing Viharn
It was an unexpected interference I'll have to change the plan a bit
What do you want to do?
My
Our wish is the same as before
To settle things in Akatsuki and gain control
Please choose the most effective method
And the pay?
Given the circumstances, I'll increase it a bit
But you are quite something! It's as if you already forgot about the whole affair from the other day
We are both mercenaries

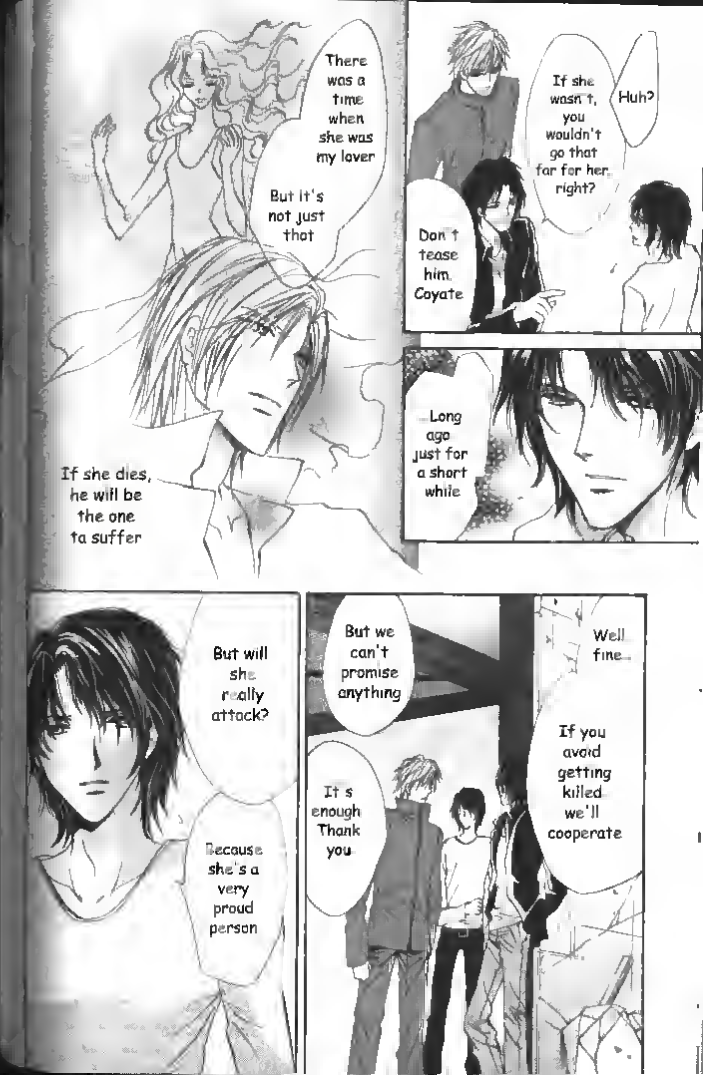
We won't do anything
So come down
He noticed...
Who are they?
Come down
Oo! Amazing!
Hey
This time I might end up getting killed...
No...
There is no time for hesitation
With this...
Can I really stop her?
Last time she broke free in one blow
Can I stop her once again?
She will target that man
Mario will come

That's why I'd like for us to cooperate
If that's not possible at least don't kill her
I want to catch her
I don't want anyone else to die
I don't want you to kill her
Sa I beg you...
Was she your lover?
After all she killed twa people
Hm But if aur guys find her she wil probably be executed
If thot happens
I ll take her place at the execution



I'm Dog D
I'm glad you are well
This is Coyote
You saved me last time
I owe you
As expected fram Saruto s number one chain user "Sparkling Kat
Huh?
You were keeping an eye on me right?
I'm sarry I followed you like that
This time it'll be fine I'm here to counter her attack
Probably Mari na Viharn will target you again
No it's not like that
Until that woman comes

I don't think she can ignore
The traget she failed to catch
So she will
surely come
That's not it
Do it right away
Hurry up and contact Kana Galpis from Maina
Shiki
Yes?
What is it, Ratri?



There was a time when she was my lover
But it's not just that
If she dies, he will be the one ta suffer
Huh?
If she wasn't, you wouldn't go that far for her, right?
Don't tease him, Coyote
Long ago just for a short while
But will she really attack?
Because she's a very proud person
But we can't promise anything
It's enough Thank you
Well fine
If you avoid getting killed we'll cooperate

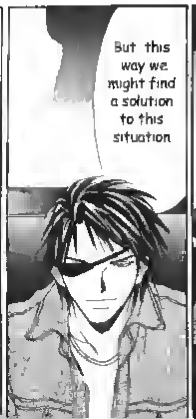
Who...

Hm...

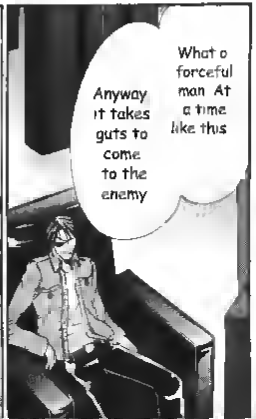
I got it
In one hour then...

It's Ratri Baara I'm coming to talk to you in person

Isn't that nice...



But this way we might find a solution to this situation

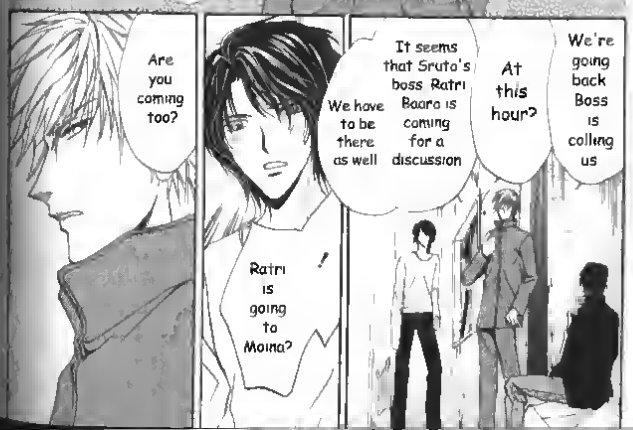


Anyway it takes guts to come to the enemy
What a forceful man At a time like this

No
Both of you be careful.
If Viharn shows up...
We'll contact you
We'll cooperate and not kill her
So you have to keep your end of the deal and not die
Suddenly going to Maina...
Why
Ratri...
We've arrived

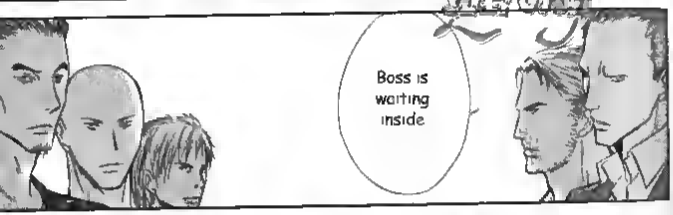
A call?
She might be waiting for me to be alone
Won't Viharn show up today?

What?
I understand. We'll be there right away
Yes, Coyote is here too
It's me What is it?



Are you coming too?
Ratri is going to Maina?
We have to be there as well
It seems that Sruto's boss Ratri Baara is coming for a discussion
At this hour?
We're going back Boss is calling us

We've been expecting you
Ratri Baara



Boss is waiting inside

Ratri, didn't we rush into this after all
Over here
Wh... What's with this reception?

Are you listening Ratri?
You do such unreasonable things Ratri
And so suddenly
While the thirst for blood is rising, the boss is having a conference

Are we late?

Ka...
Kana Galpis..?
AA
Waaa!?
Go ahead
Meet our bass

It's too much of a coincidence!
It's obvious that this is your doing!
Then you sudenly called and said you wanted to meet. Immediately after this happened!
Boss was alive a while ago!
Didn't we just get here!?
Wa Wait!

ガク
Boss...!

Dead...
Yes
He's dead

It's your doing

Shut up a bit
Please kill them! Avenge Boss!
Dog D!
Dog?
Surely by their order Boss was...
Are you Ratri Baara?
What's the meaning of this?
And you just arrived here
Coyote and me were with Kai until just now
I'm Dog D

Boss
What's with this look?
It's not like you at all!!

He's the worst man, but the payment is good
I feel at ease working with such a man
Neither of us needs to have useless pride
That's how it is, Kai and brother
Who's doing is this?
Why is Kai's chain...
...Tied around our Boss's neck?

We here by arrest Ratri Baora and his two companions, in the name of Maina
Kill them!
The murder weapon belongs to a former Tennou of Soruto
Kill them
Also, Saruto s Boss sudenly requested a meeting
Until we can thoroughly investigate Boss s murder
It's hard to believe this twa facts aren t conected
Kill them!
Ratri
Going to Maina for a meeting
It would be good if nothing happened
It's fine
It s going to be fine Ratri has Shiki and Jade with him
Kill them!
Kill them!
The facts are these

Good bye
To the both of you

And the owner of the chain,
Kai Kouda
Will be caught

青い羊の夢
Ⅳ
ACT.11

What do you think about this?
Because at the time boss was killed Kai had just parted with us
But he couldn't have killed boss
It certainly seems that this chain belongs to Kai
What do you mean?
Only one thing is certain
We'll have to ask him directly
Even if he didn't do it himself, he could have had a partener
As suspects in the murder of our boss, Kana Galpis
We here by arrest Ratri Baara and his two companions, in the name of Maina

We caught you
You can't get away
We will avenge Maina's Boss!
Sparkling Kai
Avenge?
!?
What are you talking about, I didn't
It's that chain

Boss will never again
Give us his guidance
There he is!
Why?
Surround him!
What is happening?

Yeah
Your boss blindly came to our hideout and got caught
We are just letting him live until all the perpetrators are caught
Execute Ratri...?
Truth be told, I'd like to tear you apart, but I won't
After we catch you, we will execute you with your boss
Huh?
Where?
Where is Ratri...?
Maria!?
You seem to have some idea about it...
Our boss was killed with a chain identical to yours
You can't say you know nothing
Oh...

swish
Uwa
Aaa
garb
Damn you!
Get him! Kill him!
swoosh
Stop that or you might get accidentally killed
Is he for real?

Ratri...
If Ratri is still alive
Isigh
I won't
Take your life
Where is Ratri?
guaa
Tell me!
I'll tell I'll tell you!
At Maino headquarters, a cell on the west wing s top floor

This is a message from Maina to Soruto
My name is Dog D
Right now Soruto's boss Ratri Baaro is in our hands
We are holding him regarding the killing of our boss, Kana Galpis
What's this?
Kana Galpis was killed?
That's right Kana was killed today
Ratri?
Kana was killed with this weapon

Come to me!
click
Did Maina do something
They suddenly went to Maina for a meeting
Jade and Shiki either
What do you mean Ratri isn't back?

If you don't give us the killer by then
We will execute Ratri Baara
Kai killed Kana Galpis...
Kai!
It's...
That's his...
Execute Ratri...
There's no mistake!
It's Kai! It's his chain!
Find him...
Find him! Catch him!
Oh my
This is getting dangerous
Jade and Shuki are shiftless Why were they caught as well?
Find Kai Kouda!

We ask for Saruto's cooperation
Until we catch the true killer, we have no intention of letting Ratri and his 2 companions go back
That chain is...
Find and catch Kana Gapis's killer
We want you to hand him over to us
We'll wait for 2 days

There is no way...
Before I reach it, I'll be caught or even killed
There is a small holding cell
On the top floor of Mama headquarters
...there is only one way...
The only way to save Rotri Jade and Shiki is...
For me to save them
Hm? What's this?

This is to much for one old woman to handle
Where are you, Kai?
Check again!
No
Did you find him?
...reach Ratri?
After that broadcast
Will I really be able to...
This is bad
They are searching for me all over the city

Hey! Doing that all of a sudden is dangerous!
tsk
He's strong
He can dodge my chain easily
!
...frivolous man
You...
!
Did you see Mana's actions just now?
Just as expected, it would be good if this turns into a war.
Ratri Baara's execution should also be quite a sight
It's all thanks to you "Cold-blooded Viharn"

But you are no match for me
It's a shame
You are skilled
And this knife is military issue
Just now I couldn't feel his presence
.....
You really are in trouble
The whole city is looking for you
Well, the one who set up that broadcas was me
!
In two days, will Ratri really
Yeah... As things are Maina won't be at ease
If Saruto's boss dies it will avenge our boss
It was me
Huh?

Damn!!
Are you done kid?

Ratri had nothing to do with it
I did it on my own accord
You can execute me or tear me apart
Whatever you want
So please

Save him...
Please save Ratri...
That person...

I killed Kanal
It wasn't Ratri!
It was me!
I killed him!

It couldn't hove been you
You had just parted with us when the boss was killed
But it was me!
I killed him!

If I take you in as the true killer of Kana Galpis
Are you sure?
I can't promise you an easy death
Are you prepared for that?

Of course!

I'm begging you!

What can I say
You're really amazing

Here, stand up

I don't want to let him die
I beg you
If I can exchange my life to save him I'll do anything

If he is brought here, he will be killed
.....
Is that fine with you? Don't you know the real killer Rotri Baara?
So he was even able to tame the enemy's dog?

Despite his docile look, he doesn't listen to what I say
He just pushes his luck as he sees fit
It's a miracle he's still alive

Dying in my place...
That's just like him
I want to thank him
Please bring him here
Kai is a fool

I'm in love with Ratri!
Got it...
Bring him back unharmed
Just now your subordinate...
Kai Koudo confessed to killing Kano Galpis

Don't you have anything to say about this?
I knew he would do that
...Such a fool
We don't think Kai is the killer
It's clear that he's protecting someone
And he plans to forfeit his life for that person

Until the execution is decided no one will do anything!
You bastard! How dare you
It's him
Because of him boss
Damn it! Kill him right now!
In exchange at the time of the execution you can do as you please
But Coyote
Don't lay a hand on him!
It's an order!
To die for such a man

Yo
I brought him Dog
You really have guts
I killed your boss I'm sorry
Was it really you, Kai?
.....
And Ratri?
.....

Right now it's still possible for you to back out
No
How is it? Feel like runing away?
Just you wait, bastard!
We'll rip you into pieces!
Please take me away

Oh
Kai
I can see Ratri
This may be the last time
He said he wants to thank you
But if you don't want to see him...
No
Please let me see him!
Were you also caught?
Shiki, Jade!
...After your execution is over
They will be released together with Ratri Baara
What will happen to Shiki and Jade?
This is...
Over here
.....
I'm glad...
What are you to Ratri Baara? Are you his lover?
I'm glad
No one can get in. It's safe
They are inside the prison
Are they here?
Ratri, Shiki and Jade
They are okay, right?
No...
I'm just a subordinate
Huh!?
Come. I'll let you see him
He doesn't seem like a man worth dying for

Ratri
.....!
The last time

t n. Coyote is talking about Isis (see Steal Moon)

Foolish boy
I knew you'd do this
Now, then

It's a really heartwarming story
Anyway, just listen.

What will you do, brother?
青羊之夢 Ⅳ ACT.11／終

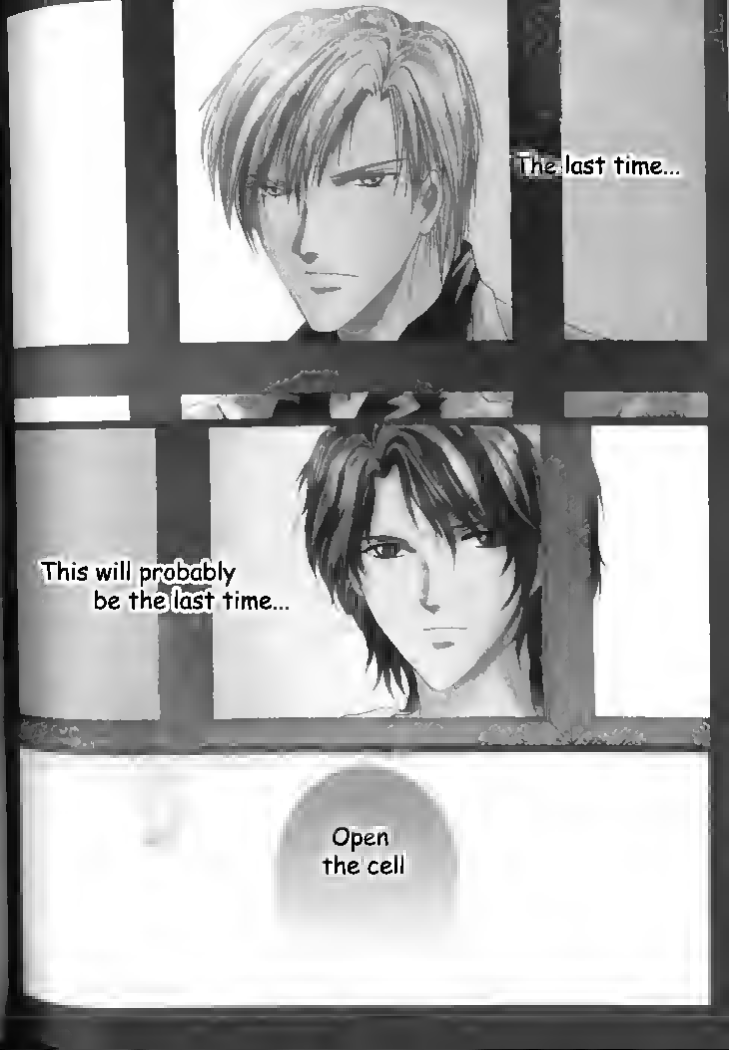
I told you I wanted to thank him. I can't do anything like this
What are you talking about?
Didn't you hear me? Open the cell
Open it and let him get into the cell
You can leave the handcuffs on
Kai
I
I
What do you want?
If this is the last time
If possible
I want to have a proper talk with Ratri
Only for a short while



The last time...
This will probably be the last time...
Open the cell

Eh!?
I'll remember every moment I spent with him
Open your mouth
For as long as I'm still alive
I'll remember

Come closer
Yes
If you try anything suspicious, I'll shoot
Thank you, Dog D.
Yeah

!!
Kai!?
What is it?
Uh
Wa
aaa
What did you do!?
RATRI BAARA!!
tsk...
Ratri
A
!
HUH!?
Ha...

Efficient isn't it?
Well, it's actually Viharn's design I rearranged the code and put the transmitter in Ratri's tooth
It seems the chip in Kai's head picked up the signal and he balcked out
I have one too of course
You guys
How come...
Right now, every electronic system here is malfunctioning
Don't move, please

Sorry about this
At first it was to find out who killed Kana
And then Ratri was...
If you planned to escape from the start...
Why did you let us catch you so easily?

Jade, Shiki
Let's go!
...Just waiting for Kai

Bastard
!

The handcuffs ..... Why..?
That's because ....

Fine by me

ゴウ
GOD

So that's the real him?

No more business?
If we escape like this, you'll still be considered Kana's killers, both you and Kai
I don't care
If we had made it in time we would have saved him, but it doesn't matter now
He was our enemy
It's fine if they think I killed him
We have no more business here

I killed Kana Galpis
Did you hear me, Dog D?
Do you want a war?

The suspects in the murder of Kana Galpis, Ratri Baara and his companians, have escaped
I here by infarm everyane
From Saruta and Maina
We are done negotiating
Maina will take revenge for it's boss
That means war
In the name of Maina they must be caught
Natify everyane
The people responsible for killing Kana, Ratri Baara and Kai Kouda have escaped
The prisoners escaped
What?
War ?
What shaud we da? Jade and the guys aren't here
Did Ratri really da it ?
Wasn't Kai the killer?
Cut it out!
Is it fractured?
He's strong
I don't need to hald back
Dag D
What happened? Why are you in there?
All the ather guards an aur way were down What's going on?

Catch him!
It's Ratri Baara
Waaaa

How long do you plan to just sit around and watch
If they say your boss killed the enemy's top and that there will be war, you fight!
You are Saruto's soldiers! Instead of selling out your companions, you should join hands and save your boss, you brats!
That's right...
If they threathen boss' life...
Ratri is in Maina naw, isn't he?
Let's gather everyone and go!
Prepare the weapons! The guns and knives! The explosives too
Let's go to Maina
There they are!
...I should get going too
What a handful

Our management will have to make improvements
The town
Was left alone, so it became like this
bip bip
Yeah, I know
Don't get too involved Remember the mission
That was fast
Thank you Hermes
Coyote?
I just got the data regarding the deal you mentioned
Yes
I won't get too involved,
But I was a little moved
Pure love
Sure is nice
Please save Ratri
I don't care what happens to me
Save
Ratri

As always, his strenght shouldn't be taken lightly
He seems to be having fun
But is Kai all right?
For him to be still asleep in this situation.
What is this noise
My body is swinging What is happening with me...
Until we have no choice but to intervene
Just crush each other like this
So it's a war That's good
WA!?
My head...
It hurts

My arm was getting numb
Get down and give me a hand
RATRI!?
Here they came
Ratri held me all this time...
What's this? I lost consciousness back there
Y... Yes
WAAA
HUH?
Are you awake?
I remember, this pain is...
What's this?

Even at the cost of my life
Yes
You will protect your Boss, right?
Then fight!
tsk
Dog D your right arm
It's nothing!

KAI !
He's stronger than anybody
He really is amazing
I have to defeat this strong man and avenge my Boss
I had no intention of fighting with you
But your Boss is strong
Dog D !

As expected from Maina's Mad Dog
RATRI!
Then we are even
Ratri
Why did you protect me...
!
Very close
Ratri
She's here
So it wasn't just my imagination
Why at a time like this?
What strenght! Even if he is only using one arm..
Hm
!
Don't hold back!
I can't dodge it

Are they moving with the same speed...?
Please stop, Maria!
Maria!
Right now Ratri's arm...
What are they...
They are usually on par with each other
But now...
It's different
....
...op
You...
There is no way you could let others kill me
COME!
...So you came
MARIA...!

KAI!
Hold on! Kai!
That's enough
KAI!
...A...
PLEASE STOP, MARIA!

Wh
What is this?
This man's name is Christopher
He's a federal soldier and he's staying at Willy Hotel
<< I know. How about you kill one of the leaders >>
<< Did you see Mainas actions just now? >>
<< As expected, it would be good if this turns into a war >>
<< Rotri Boaro's execution will also be worth seeing >>
Why?
<< It's all thanks to you "Coold-blooded Viharn" >>
How come they have this video?
Are you there?

That's enough
Gentelmen of Maina and Saruto engaged in war all over
<< I didn't think you would fail >>
<< If one more dies, it will turn into war for sure >>
Please look at this video
Sorry to barge in on your fight, but...
<< My... Our wish is the same. To settle things in Akatsuki and gain control >>
I know who killed Kana
He's also responsible for "The Hanged Man"
<< Please chose the most effective method >>

Our little killing game
Has no need for sacrifices
Maria's voice is getting further away
Even though my body is getting colder
I felt something warm enveloping me
I wonder...
Maria

We are here to avenge our boss
Is this Major General Christopher's room?
You killed our boss
I won't forget!
Such a turn of events
Don't let that boy die, brother
But
That's you choice One more person promising retaliation makes no difference to me

Just who are you?
Well, I have my ways
How did you get your hands on that video?
What?
What was that about?

I'm still
Maina's Coyote

Look at that Dog D
Oh
.....

Why is it that
I fell a bit happy about it

Finally
You woke up
Ra... tri ..?
What happened...
Ow
Don't move
You were injured. You needed a lot of stitches
I'm sorry. I'll...
Do you...
Plan to leave again?

Hm... m
It's the last "hanged man"

Huh?
Ra...
Ratri...?
I won't...
Let you go anywhere not anymore
You chose me, right?

Yes
I
Ordered you to come back
Right now, Sotuto...
I
I defied you in front of everyone and left of my own accord
You really don't listen to what others say
Ratri...
The last time you were on the verege of death, just like this
I was waiting for you to wake up
!
More than that time...
I was waiting now, for more anxiously...

Yes..!
Open your eyes Kai
But the truth is...
From now on I will only embrace you
Just you
I..
Ratri.. I...
Over Viharn, over anyone else... I chose you!
Is that so?

Just him
Come back
Kai
This person
It's fine if I only embrace you

Back to
this town,
by my side
I LOVE HIM
